

Alignment with United Nations Sustainable Development Goals (SDGs)

This project has been analyzed with respect to the United Nations Sustainable Development Goals (SDGs). The following table highlights the relevant SDGs addressed by the project along with justification for the alignment.

Table X.X: SDG Alignment of the Project

Sl. No.	SDG No. & Goal	Justification for SDG Alignment
1	SDG 3 – Good Health and Well-being	The project contributes toward improving healthcare services and overall well-being through intelligent technology-enabled solutions.
2	SDG 9 – Industry, Innovation and Infrastructure	The proposed system promotes innovation and supports the development of efficient and sustainable technological infrastructure.
3	SDG 13 – Climate Action	The project supports sustainable practices by reducing resource wastage and improving operational efficiency.
